Step 1

To start accessing Thieme Journals, please visit:
<https://www.thieme-connect.com/>

The screenshot shows the Thieme Connect website homepage. At the top, there is a navigation bar with the Thieme logo, language options (DE, EN), and a search bar. Below the navigation bar, there are menu items: Home, Audience, E-Products, Login, Contact, and Newsletter. A red callout box with the text "Click on Login" points to the "Login" menu item. The main content area features a large banner with the text "Librarian Resources Information and support for your collections" and a "For Librarians" section. Below the banner, there are several sections: "Thieme Connect" with a welcome message, "Thieme Newsletter" with a "Sign up now!" button, "For librarians" with a "Tools, newsletter, events and product information for librarians" link, and "ONLINE BOOKS & JOURNALS" with a "Click here" link.

Step 2

Go to Thieme E-Journals page.
You will see the list of journals you have access to.

The screenshot displays the Thieme Connect website interface. The top navigation bar includes the Thieme logo, 'Thieme Connect', a search bar, and links for 'Home', 'Audience', 'E-Products', 'Login', 'Contact', and 'Newsletter'. A 'Webshop' button is also visible. The main content area is titled 'Thieme.de > Thieme Connect > Login'. Under the 'Login' heading, there are three sections: 'E-Journals', 'E-Books', and 'E-Learning'. The 'E-Journals' section is highlighted with a blue box and a callout that says 'Go to Thieme E-Journals'. This section contains a list of journal titles, each with a right-pointing arrow and the text 'Login for licensed customers':

- Thieme E-Journals
- MedOne Education
- Thieme Clinical Collections

The 'E-Learning' section contains a list of learning modules, each with a right-pointing arrow and the text 'Login for licensed customers':

- MedOne Adaptive Learner: Step 1
- MedOne ComSci
- Thieme MyCourse
- Thieme Teaching Assistant
- Winkingskull.com PRO

Step 3

Navigate to the Products drop down on the top menu and select Journals.

The screenshot shows the Thieme Connect website interface. At the top, there is a navigation bar with the Thieme logo on the left and a menu on the right containing 'Home', 'Products', 'Service', 'Help', 'Contact', and 'Portal'. A 'Search' box is located in the center of the top bar. A blue callout box highlights the 'Products' menu, which is open to show a dropdown list with 'Journals', 'Books', and 'Book Series'. A red arrow points from the 'Journals' option to a red callout box on the right that says 'Go to Journals'. Below the navigation bar, the main content area features a 'Welcome to the Online Books & Journals Platform within Thieme Connect' message, a login form, and a section titled 'Content Licensed by my Institution' with tabs for 'Journals', 'Book Series', and 'Books'. The 'Journals' tab is selected, showing a list of journals including 'ACI Open', 'Adipositas - Ursachen, Folgeerkrankungen, Therapie', and 'eFirst AINS - Anästhesiologie · Intensivmedizin · Notfallmedizin · Schmerztherapie'. A 'Services' section on the right lists 'Free Abstracts & Previews', 'eFirst', 'Alert / RSS-Feed', and 'Recommend / Notify'.

Step 4

From the left navigation menu, select language, and click on 'En' to filter which are available in English.

The screenshot shows the Thieme website interface. On the left, there is a navigation menu with 'Language' selected. A dropdown menu is open, showing the following options:

Language	Count
de	(167)
en	(459)
es	(5)
pt	(3)

A callout box with the text 'Select 'En' (English)' points to the 'en' option. The main content area displays a list of journals, including 'Adipositas', 'AIMS Genetics', 'eFirst AINS - Anästhesiologie · Intensivmedizin · Notfallmedizin · Schmerztherapie', and 'Aktuelle Dermatologie'. The Thieme logo and 'Thieme Gruppe' text are visible on the right side of the page.

Step 5

From the left navigation menu, click on 'Main subjects' and select the subject you wish to explore.

The screenshot shows the Thieme website interface. At the top, there is a navigation bar with the Thieme logo, language options (DE, EN), and links for Home, Products, Service, Help, Contact, and Portal. A search bar is also present. On the left, a 'Main subjects' navigation menu is visible, with a red callout box labeled 'Select Specialty' pointing to it. Below the menu, a 'Most relevant' table lists various medical specialties with their respective counts. The table is paginated, showing 'Page 1' and a 'Next' link. Below the table, a list of journals is displayed, each with a small thumbnail image and the journal title.

Step 7

You will see the articles in the latest issue of the journal.
Click on the 'Issue' tab to see the articles.
Click on any article to start reading.

The screenshot displays the Thieme Synthesis journal website. The header includes the Thieme logo, navigation links (Journal, Authors, Subscription, Recent Special Topics, Virtual Issues), a search bar, and a 'Not Logged In' status. The main content area features a 'New Open Access Journal' banner for 'Sustainability & Circularity' and a 'Learn more' button. Below this, the 'Issue 11 - Volume 57 - June 2025' is highlighted, with a 'Full-text search' dropdown and a 'Not Logged In' status. The 'Table of contents' section shows a 'Full Text' button and a 'PDF (655 kb)' link. A featured article is displayed: 'Applying the Principles of Green Chemistry to Cyclopropanation' by Godinho, Patricia I. C.; Soengas, Raquel G.; Silva, Artur M. S. The article is associated with 'Alternative reaction media' and 'Alternative energy'.

Step 8

To read the full article, please click on the 'Full Text' tab.

The screenshot displays the Thieme Synthesis journal website. The main article featured is "Applying the Principles of Green Chemistry to Cyclopropanation" by Patrícia I. C. Godinho, Raquel G. Soengas, and Artur M. S. Silva. The article is marked as a review and is available in full text. A callout box with the text "Click on 'Full Text'" points to the "Full Text" tab in the article's navigation bar. The website also features a sidebar with issue archives, a "Publish here!" button, and a "Sustainability & Circularity" banner. At the bottom, there is a diagram illustrating green chemistry principles: "Alternative reaction media" and "Alternative energy input" are shown as inputs to a reaction process, resulting in a cyclopropane ring.
